

Corona: code of conduct

Our company is closed for your safety because the health of our customers and our employees is very important to us. We strongly urge you to follow this code of conduct and ask everyone to take this into account. This will enable us to reduce the risk of contamination together.

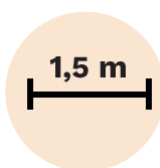

Corona measures at our company:

Only visit our stable for the essential care of your horse. Do not stay longer than necessary.

Come alone. Do not bring any visitors. Avoid group formation of more than three people.

Keep a minimum distance of 1.5 meters from each other.

Do not come if you have health issues.

Our company remains accessible to necessary service providers such as farriers and veterinarians.
